

# Intonation Worksheet

Kevin Baribeau

Saxophone

The worksheet consists of four staves of music for saxophone, each containing a sequence of notes for intonation practice. The notes are written in treble clef with a common time signature (C). The notes are as follows:

- Staff 1: Bb, B, C, C#, D, D#, E, F, F#, G, G#.
- Staff 2: A, A#, B, B#, C, C#, D, D#, E, E#.
- Staff 3: F#, G, A, B, C, D, E, F, G, A, B.
- Staff 4: C, C#, D, D#, E, E#, F, F#, G, G#, A.

Measure numbers 7, 13, and 19 are indicated at the start of the second, third, and fourth staves respectively. The notes are grouped into measures of four notes each. The notes are written in a way that suggests they are to be played in a specific sequence, with some notes having a sharp or flat symbol.
